Happy Guru Purnima!

Wishing you a very Happy Guru Purnima! May the blessings of your gurus continue to illuminate your path!

Aum School 2024 Summer Camp Extravaganza: A Summer of Learning and Fun!

Dharmic summer camps like those offered at Aum School provide a rich cultural immersion that goes beyond regular summer activities. They enable a nurturing environment where children can connect with their roots, learn about their heritage, and develop a strong sense of identity. Moreover, these camps foster community and lifelong friendships among participants who share similar values and traditions.

We are excited to share that this year's Aum School Summer Camps have been a resounding success and continue to bring joy and learning to children across 11 cities in the U.S.

Our camps offer a unique blend of traditional and modern learning experiences. This year, we introduced a special focus on Robotics, allowing kids to build and program their own robots, fostering not only technical skills but also teamwork and problem-solving abilities.

Our Sanskrit Language sessions have been a hit, with kids enthusiastically learning and reciting ancient mantras and Shlokas, connecting deeply with their heritage. Our little friends have delightfully engaged in a variety of enriching activities, such as arts and crafts, Yoga, khel (games), shloka recitations, and Bhajan singing.

Past & Upcoming Camps of 2024

Summer Camp Locations and Dates

- Aldie, VA Jun 17-21, Jul 29-Aug 2
- Charlotte, NC Jun 3 - Aug 16
- Ellicott City, MD Jul 22 - 26
- Edison, NJ Jul 15 - Aug 23
- Irvine, CA Jul 15 - 26
- Houston, TX Jun 10 - Jul 26
- Parsippany, NJ Jul 8 - Aug 23
- Philadelphia, PA Jul 15 - 19
- Phoenix, AZ June 17-28
- San Antonio, TX Jun 3- Aug 16
- Seattle, WA Jul 8 - Aug 2 (two different locations)

At Aum School, kids explore the rich Heritage of Bharat, create beautiful Mandala and Warli Art, and participate in engaging Skits and RamKatha storytelling. Additionally, practical skills like Vedic Math, Gardening, Rangoli Making, Rubik's Cube, and Chess are introduced alongside Flute lessons.

Events

Meet & Greet @ Edison

We are thrilled to share the updates from our recent campaigning event, AUM School Meet & Greet, Edison, NJ which aimed to educate and make people aware of the Aum school, what we want to accomplish, and fundraise for the campaign. The event, held on June 8th, at Sri Radha-Gopinath Temple, garnered significant support and engagement from the community. Throughout the evening, participants enjoyed light snacks as well as dinner, saw dance and yoga performances, and listened to speeches from our initiative leaders.

The program saw more than one hundred attendees. This overwhelming response underscores the community's commitment to AUM School's plan to enhance learning opportunities for Hindu students throughout America. Additionally, the event received positive feedback for its cultural programs and description of the summer camps, which encouraged more people to contribute towards our mission. Looking forward, we are energized by the momentum gained at this event and hope for more outcomes like this in the near future.

Aum School Team Building Event @ Charlotte

The Charlotte Dragon Festival, a day-long event at Dragon Festival of 2024, was an unforgettable experience for the Carolina Aum School. It's heartwarming to hear how a school team can come together, not just for educational purposes, but also to engage with the community in such vibrant cultural events. The camaraderie and spirit of unity that these occasions foster are invaluable, and it was wonderful that the local Aum team could enjoy the festival's activities in the beautiful setting of Lake Norman.

These annual gatherings are more than just events. They are a celebration of community, culture, and the joy of togetherness. It's clear that the festival, with the added company of our school friends, was a highlight of the year, creating memories that will be cherished for years to come.

San Antonio - Meet & Greet

After serving 100s of kids in the Greater San Antonio community for close to a decade, San Antonio has decided to expand its offerings to Kindergarteners in 2024-25. On May 23rd, a Meet And Greet was held at its lush green location, Aum Ashram - situated right in the heart of San Antonio.
